## **Dulles Greenway Drive for Charity Fuels Loudoun Hunger Relief Mobile Pantry**

**Leesburg, VA;** Loudoun Hunger Relief received \$42,200 from the Dulles Greenway's 14<sup>th</sup> annual Drive for Charity event. The Drive for Charity was held on Thursday, May 16, 2019. On this day, 100% of tolls collected are donated to seven local charities and the Dulles Greenway Scholarship Program. The Dulles Greenway is proud to have contributed over \$3.6 million to area non-profits over the last fourteen years! Loudoun Hunger Relief plans to use the Drive for Charity donation to help pay for the operations of a new Mobile Pantry due to roll out in the fall of 2019.

LHR Executive Director, Jennifer Montgomery, said "The Dulles Greenway's Drive for Charity is a wonderful benefit to non-profits in our community. We are so pleased to be included this year, especially since we're rolling out our Mobile Pantry in the fall. Drive for Charity funds will fuel the operations of the Mobile Pantry. The proceeds from the Drive for Charity are driving hunger out of our community."

Loudoun Hunger Relief's Mobile Pantry will take groceries and pantry services into neighborhoods where people are in need, but lack transportation to get to LHR's Leesburg location.

Other non-profits included in the Drive for Charity this year were: Loudoun Free Clinic, Loudoun Wildlife, Loudoun Abused Women's Shelter, ECHO, Fresh Air/Full Care, the March of Dimes and the Dulles Greenway Scholarship Fund.

Terry Hoffman, public and customer relations manager for the Dulles Greenway, said "Every day, we help people on their way as they travel through our region. We also take our obligation to help people in need in our community seriously. The Drive for Charity is a way for us to provide both funding and awareness for our non-profit partners. We're excited to welcome Loudoun Hunger Relief to the group this year, and pleased that the funding will assist with the Mobile Pantry launch this fall."

Loudoun Hunger Relief served 8,000 of our Loudoun neighbors in 2018. 40% of these are children. 13% are seniors. With the help of partners like the Dulles Greenway, we are improving lives and providing hope for the future every day. Every dollar counts in the fight against hunger.
