Hanley Energy Sponsors Breakfast Cereal Drive for Loudoun Hunger Relief

No One Should Be Hungry—It Shouldn't Take Luck

Leesburg, VA; Loudoun Hunger Relief (LHR) is grateful to Hanley Energy for sponsoring a breakfast cereal drive to support families in need in Loudoun. The drive will happen March 1- March 16. Supporting partners for the drive include Merritt Properties, Sterling Restaurant Supply and TechnoGuard. Details of the drop off locations and times are listed at www.loudounhunger.org/give-help/hanley-energy-drive.

The drive is designed to collect cereal throughout the first weeks of March and deliver the cereal to LHR on March 17, St. Patrick's Day. Hanley Energy, a global critical power and energy management innovator, with a deep Irish heritage, will deliver good luck and vital food supplies to LHR on this traditionally lucky day. The date also represents Hanley Energy's 5-year anniversary since they opened their flagship United States division in Loudoun County. The delivery will take place at 2pm on March 17 at Loudoun Hunger Relief. Clive Gilmore, CEO of Hanley Energy, said "Hanley Energy is wholeheartedly committed to supporting the communities where we do business. We have been partnering with Loudoun Hunger Relief in many other ways, and sponsoring this drive is a natural extension of our work together". Hanley Energy has promised an added surprise to cap off the St. Patrick's Day festivities.

Loudoun Hunger Relief is serving between 800 and 1000 families per week directly, and also provides food to families through service partners. LHR uses around 900 boxes of cereal each week through regular service. This drive will help LHR provide each family with cereal during March and April.

LHR CEO, Jennifer Montgomery, said, "We are grateful to Hanley Energy for their partnership, and their leadership in this cereal drive. We also thank our friends at Merritt Properties, Sterling Restaurant Supply and TechnoGuard, Inc. for their willingness to host collection points. We all believe that no one should be hungry, and that it shouldn't take luck".

About Hanley Energy

Hanley Energy are a global innovator in Critical Power and Energy Management solutions, with a stable of world-class engineers shared between European headquarters in Ireland and North America (Ashburn, VA).

They enable Hyperscale Data Center and Industrial Manufacturing clients to effectively manage their energy strategy, ensure 100% up-time and optimise their operational competitiveness.

About Loudoun Hunger Relief, Inc.

Loudoun Hunger Relief, Loudoun's leader in food assistance, has been serving the Loudoun community since 1991. Last year, LHR provided 355,000 food support service instances in Loudoun County, Va. 40% of those served are children and another 11% are senior citizens. LHR truly helps low-income, working families in Loudoun. Nearly 70% of those served in 2020 had never needed assistance before. Residents in need can visit twice per month and receive enough food to create three meals for three days for each household member. LHR distributed 2.6 million pounds of food last year. For more information, please visit www.loudounhunger.org or call 703-777-5911.
